Under the Secure and Fair Elections Act, (SAFE Act) intended to ensure that all voters are qualified to vote and to make it more difficult to cast an illegal vote, every voter must show valid photo ID when voting. A voter requesting a ballot by mail must either write their driver's license number on the application or send a copy of a photo ID to get a ballot.

Any person may apply in person or by mail to the county election officer to be registered. Application forms shall be provided by the county election officer upon request in person or in writing by the applicant. Such applications shall be signed by the applicant under penalty of perjury.
