Our records indicate that you have registered a watercraft with the Kansas Department of Wildlife and Parks. Kansas law requires the owners of personal property to list their property for assessment with the County Appraiser each year on or before March 15th. Therefore, our office is requesting that you complete the necessary information listed below in order to insure an accurate assessment. Please return this sheet in the enclosed envelope to our office within ten (10) days. If our office does not receive the requested information, we will have to value your watercraft with the information available. **Please note: Applying for and or receiving a KA number from Wildlife and Parks, does not constitute reporting your personal property for assessment. You must list your property directly with the County Appraiser's Office.**
