## Doniphan Co. Health Dept./Home Health Moves to Phase 3 & 4 of Kansas's COVID-19 Vaccination Plan

Doniphan Co. Health Dept./Home Health is moving to Phase 3 and 4 of Kansas' COVID-19 Vaccination Plan on March 22, 2021. Individuals between ages 16 and 64 with a pre-existing medical condition and other non-healthcare workers in critical infrastructure will be eligible for vaccination.

If you are unsure whether you qualify for phases 3 and 4, please call the Doniphan Co. Health Dept./Home Health at 785-985-3591 or visit this website <https://www.kansasvaccine.gov/157/Availability>

We will also continue to vaccinate anyone from phases 1 and 2.

To schedule an appointment for your COVID-19 vaccine, email us at [health@dpcountyks.com](mailto:health@dpcountyks.com) (please include name, phone number, and address) or call 785-985-3591.

As of 3-17-2021, Doniphan County Health Dept. /HH has administered 1,160 first doses of Moderna vaccine and 560 Booster doses. Also, at this time, it is uncertain when we will get anymore of the Johnson and Johnson Vaccine.

Thank you to for your continued patience as work to get as many Doniphan Co. residents vaccinated!
